Arlington Aces Travel Coach Applicant,

Thank you for your interest in coaching for the Arlington Aces Travel Soccer Program. The Arlington Aces offers opportunities for youth in our community to participate in recreational and travel soccer. The travel program provides a competitive environment but still stresses sportsmanship, learning skills, self-esteem, teamwork and enjoyment of the game. While the effort to win is an important part of the game, an emphasis also is placed on the development of the physical and psychological needs of our youth.

Coaches in the travel program are expected to be positive role models and provide opportunities to all players in both practice and game situations. In addition, coaches will complete administrative duties for the team per the league and park district guidelines. Detailed information of Club and League policies and procedures will be discussed at a travel coach meeting prior to the start of the 2010/2011 season.

Please contact me if you have any questions regarding the Club or enclosed application. I can be reached at (847) 506-7133 or jmeredith@ahpd.org.

Applications are due by Thursday, January 28, 2010 at 5pm.
