- All tickets are general admission; there are no assigned seats of any kind.
- The Park District would appreciate that the majority of your party is together in the auditorium when arriving at the recital to be seated.
- Please keep “seat saving” to a minimum. All seating in the auditorium provides a good view of the stage.
- We are sure you agree the main goal is for the dancers to have a fantastic show and memorable recital experience. The Park District does not manage seating on the day of the recital and we ask that you follow the above guidelines in order for everyone to enjoy the day.
