Monthly Happenings

Welcome back to CAP! We hope everyone had a fun and safe winter break. We are excited to see everyone! In January we have the gymnastic equipment coming in the gym. In the upcoming month we have two full days on Jan. 15 and Jan. 22.

We have a new staff named Grace Preissing. It is her first year as a CAP Activity Leader. Grace is a junior at Rolling Meadows High School. She plays soccer at Meadows. Her favorite food is Oreo Ice Cream and Potbelly sandwiches! Grace is really excited to work with all the Dryden cappers!

Notification of Absences

If your child is going to absent from C.A.P please inform us.

- Calling or Texting us at 847-871-7811
- Emailing us drydencap@ahpd.org
- Writing in the binder located next to the parent board

When informing us of the days your child will be absent, please be sure to include your first and last name and relation to the child, your child's first and last names well as the date(s).

If your child does not check into C.A.P on their scheduled day and we need to make a phone call to find them, please note there will additional tacking charge.

Homework Time

We do allow homework time the afternoons after School had ended. We give them 25 minutes and the staff can help but not be a tutor. Also, after the bell rings at 3:35 cappers cannot go back the class room for forgotten items.

Back-Packs/Jackets

The cold weather is finally here! All the cap kids bring their winter gear to CAP. So at CAP we have coat racks for the kids to put the jackets on, also backpacks go on the stage. Anything the staff finds before and after CAP it goes directly to Dryden's lost and found located by Mr. Bobs office and the music room.

Colder Weather Approaching

With the ever-changing weather, please bring the appropriate weather attire. As we are going to try and go outside as much as possible before the weather gets freezing and before the gym the gymnastics equipment occupies it!
