PUBLIC HEARING

Budget and Appropriation Ordinance No. 723

Jason Myers, Director of Finance and Personnel, reported that a copy of the Budget and Appropriation Ordinance has been made available to the public, and that the Public Hearing Notice was published in the newspaper.

There were no comments from the Board of Commissioners or staff.

Resident John Supplitt, 714 S Ridge, Arlington Heights, stated that the District has a strong statement of values, and with an emphasis on DEI, he would recommend adding “accessibility”. In the 23/24 Budget, the Parks and Planning highlights ADA accessibility and transition plan, which makes statements of accessibility, he would also include DEI. The other observation in Administration and Finance, the goals of the purchase of training software, the emphasis needs to be on DEI above and beyond what we required by the state. DEI training should be included in the software purchase.

ADJOURNMENT

Comr. Nesvacil moved, seconded by Vice President Gelinas, the motion to adjourn the Public Hearing at 6:35 pm. On a voice vote the motion was approved 4-0.
