## RILEY NEWS YOU CAN USE:

Welcome back cappers and welcome newcomers! It's hard to believe that the summer is already over, and the school year has begun. We look forward to a great year filled with different activities, crafts and art enrichment. These next few weeks we will be doing different activities and games to learn everyone's names as well as their likes and dislikes. We will also be working on themed murals at the beginning of each month, so the children can show their creative side! Also, check out our other parent board to see pictures of our days here at Riley CAP. Let's make this a great year!
