### CAP HAPPENINGS

Welcome back to school! We are looking forward for another exciting year at Westgate CAP. This year we have a lot of new activities planned and even have new games, toys and activities for everyone. On the calendar, you will find our crafts and activities planned for each day.

Activities may slightly change based on weather or the space available to us on that day at Westgate. We are really looking forward to seeing so many familiar faces as well as meeting our new families that moved over from Pioneer CAP!

### **REMINDERS**

CAP is a recreation program so while we do encourage homework we do not make all the children sit down and work on homework. They are given the option every day to work on it starting at 4:00pm.

We do not allow toys or stuffed animals from home. We have a variety of games, toys and activities to choose from to best accommodate all children.

PLEASE, PLEASE, PLEASE do not send electronics from home. This includes watches that children are able to make phone calls and/or send texts from.

*\*The Park District is NOT held responsible for any lost, stolen or damaged items\**
