J. EXHIBIT OF WRITTEN SEXUAL HARASSMENT POLICY

It is the policy of _____(Bidder) that no employee of it shall be subject to sexual harassment.

Illegality

Sexual harassment is a form of sexual discrimination and is illegal.

Definition of Sexual Harassment

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
2. submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
3. such conduct has the purpose or effect of substantially interfering with an individual's work performance or creates an intimidating, hostile, or offensive working environment.

Descriptions of Sexual Harassment

Descriptions of forms of sexual harassment are as follows and are not all-inclusive (Levin & Funkhouse, Ltd.)

Example 1: A male supervisor suggests to a female subordinate that the best way to get ahead in the district is to make him happy. He tells her that she could really go places if she has sexual relations with him.

Example 2: A female supervisor makes repeated advances to her male assistant. He gives in to her advances and winds up having sexual intercourse with his supervisor about 40 or 50 times, sometimes in the workplace and sometimes elsewhere. He later contends that his supervisor's sexual advances toward him were unwelcome and that he had sexual relations with his superior because he was afraid he would lose his job.

Example 3: In an equipment storage area, several pictures of nude or partially nude women appear on the walls in the form of calendars, photographs from magazines, posters and pinups. Male employees who make up the majority of the workforce occasionally use vulgar language and tell off-color jokes. The new female employee complains about the pictures and the language but her supervisor says that the employees who work there are "just being guys" and that she is being "overly sensitive."

Example 4: A group of male and female employees report to a manager that their supervisor subjects them to a steady stream of sexual slurs. The district investigates and discovers that inappropriate sexual comments are being made, but that the comments are directed equally to male and female employees, and, therefore, does nothing.

The Company's Internal Complaint Process

If an employee believes he or she is a victim of sexual harassment, he or she should immediately file a written complaint of same with his or her immediate supervisor, or if none, to the Company President. The complaint shall include dates, times and places of the alleged sexual harassment, name (s) of the

perpetrator (s) and a description of the conduct complained of, all to the best knowledge of the complainant. If after due investigation, the supervisor or President shall issue a written reprimand and may take more severe disciplinary action such as suspension without pay, demotion or dismissal. If suspension without pay, demotion, or dismissal is recommended, no such action may be taken without the approval of the President of the Company.

Civil Rights Violations

Under the Illinois Human Rights Act, it is a civil rights violation for any employer, employee, or agent of any employer, to engage in sexual harassment; provided, that an employer shall be responsible for sexual harassment of the employer's employees by non-employees or non-managerial and non-supervisory employees only if the employer becomes aware of the conduct and fails to take reasonable corrective measures.

It is also a civil rights violation for a person or two or more persons to conspire to retaliate against a person because he or she has opposed that which he or she reasonably and in good faith believes to be unlawful discrimination or sexual harassment in employment, or because he or she has made a charge, filed a complaint, testified, assisted or participated in an investigation, proceeding or hearing under the Illinois Human Rights Act.

Illinois Human Rights Commissioner/Illinois Department of Human Rights

In addition to or as an alternative to an employee availing himself or herself of the company's internal complaint process discussed above, an employee who believes he or she is the victim of sexual harassment may bring his or her complaint to the attention of the Illinois Department of Human Rights at:

Illinois Department of Human Rights
100 West Randolph Street
Chicago, Illinois 60601

Within 180 days after the date that a civil rights violation allegedly has been committed, a charge in writing under oath or affirmation may be filed with the Illinois Department of Human Rights by an aggrieved person. The Department must then require the respondent to file a verified response within 270 days thereafter. The complainant may reply to said response within 60 days after it is filed. After the respondent is notified, the Department is required to conduct a full investigation of the allegations. Where there is a failure to settle any charge through conciliation, the Department is required to prepare a written complaint. At any time after a charge is filed, the Department or complainant may petition the appropriate court for temporary relief, pending final determination of the proceedings under the Illinois Human Rights Act. The petition shall be filed in the Circuit Court for the county in which the respondent resides or transacts business or in which the alleged violation took place.

A copy of this policy is to be provided to the Illinois Department of Human Rights upon request.

Contractor shall maintain workers compensation as required by statute and employers liability insurance. The commercial umbrella and/or employers liability limits shall not be less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

If Owner has not been included as an insured under the CGL using ISO additional insured endorsement CG 20 10 under the Commercial General and Umbrella Liability Insurance required in this Contract, the Contractor waives all rights against Owner and its officers, officials, employees, volunteers and agents for recovery of damages arising out of or incident to the Contractor's work.

E. General Insurance Provisions

1. Evidence of Insurance

Prior to beginning work, Contractor shall furnish Owner with a certificate(s) of insurance and applicable policy endorsement(s), executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above.

All certificates shall provide for 30 days written notice to Owner prior to the cancellation or material change of any insurance referred to therein. Written notice to Owner shall be by certified mail, return receipt requested.

Failure of Owner to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of Owner to identify a deficiency from evidence that is provided shall not be construed as a waiver of Contractor's obligation to maintain such insurance.

Owner shall have the right, but not the obligation, of prohibiting Contractor or any subcontractor from entering the project site until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by Owner.

Failure to maintain the required insurance may result in termination of this Contract at Owner's option.

With respect to insurance maintained after final payment in compliance with a requirement above, an additional certificate(s) evidencing such coverage shall be promptly provided to Owner whenever requested. Contractor shall provide certified copies of all insurance policies required above within 10 days of Owners written request for said copies.

2. Acceptability of Insurers

For insurance companies which obtain a rating from A.M. Best, that rating should be no less than A VII using the most recent edition of the A.M. Best's Key Rating Guide. If the Best's rating is less than A VII or a Best's rating is not obtained, the Owner has the right to reject insurance written by an insurer it deems unacceptable.

3. Cross-Liability Coverage

If Contractor's liability policies do not contain the standard ISO separation of insureds' provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

4. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to the Owner. At the option of the Owner, the Contractor may be asked to eliminate such deductibles or self-insured retentions as respects the Owner, its officers, officials, employees, volunteers and agents or required to procure a bond guaranteeing payment of losses and other related costs including but not limited to investigations, claim administration and defense expenses.

5. Subcontractors

Contractor shall cause each subcontractor employed by Contractor to purchase and maintain insurance of the type specified above. When requested by the Owner, Contractor shall furnish copies of certificates of insurance evidencing coverage for each subcontractor.

F. Indemnification

To the fullest extent permitted by law, the Contractor shall indemnify and hold harmless the Owner and the Architect and their officers, officials, employees, volunteers and agents from and against all

claims, damages, losses and expenses including but not limited to legal fees (attorney's and paralegals' fees and court costs), arising out of or resulting from the performance of the Contractor's work, provided that any such claim, damage, loss or expense (i) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property, other than the work itself, including the loss of use resulting there from and (ii) is caused in whole or in part by any wrongful or negligent act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, except to the extent caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph. Contractor shall similarly protect, indemnify and hold and save harmless the Owner, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses including but not limited to legal fees, incurred by reason of Contractor's breach of any of its obligations under, or Contractor's default of, any provision of the Contract.
