- Teams are formed by reciprocal friend request, the community center chosen when registering, and by school.

- If you know of a child who is not registered but would like to play, please direct his or her parents to their local community center supervisor for registration assistance. **Do not invite them to your team or to practices.**

- Each team will play eight games, and games are played at either Pioneer, Camelot, Poe and ARC gyms. Games on Sundays may go as late as 6pm (on select Sundays).

Practices

- Each team will have one 1-hour practice per week.
- We will do our best to accommodate practice time and location requests. However, some teams may practice at a facility outside of their local park.
- Please focus the majority of your allotted practice time on working on fundamentals such as dribbling, passing, shooting, and rebounding.

In case of inclement weather, please check the AHPD website or call the weather hotline, 847.577.3003, extension 6. **Practices or games may be cancelled because of unsafe conditions at a facility or on the roads. Just because it snows, does not mean games will be cancelled.**
