- Repair your ball marks.
- Rake all sand bunkers after use.
- Keep carts outside any roped areas on the course.
- Please keep carts 20 feet away from all greens.
- Please keep carts on cart path around all teeing areas.

Course Rules:

Arlington Lakes Golf Club has guidelines to help keep the course safe and to help keep the operation running efficiently for all our patrons. In the past, we have noticed a few basic guidelines violated frequently, thus creating the list of course rules below that we would like you to help with:

- Do not practice putt, chip, or hit golf balls on any holes prior to play.
- Play holes in order, do not jump around without permission from the golf shop.
- If you have an issue with another group while on the course, please signal the ranger or starter or contact the golf shop.
- No outside alcohol permitted on the premises.
- All players must check in at the golf shop prior to play.
- Pace program will be in effect—keep pace with the group in front of yours. Expected pace varies on the time you tee off and how busy the course is. Pace of 2 hours 10 minutes for nine holes is considered acceptable.
- No five-some’s are allowed on the course. Groups arriving with 5 players will be split into two groups.

To execute the agreement properly, we have put into place the following warning system.

You will receive up to 3 warnings (2 official verbal warnings and 1 official written) prior to termination of your season pass privileges.

I have read and understand the guidelines for purchase of a 2026 Season Pass. I understand the season pass is non-refundable and non-transferable.
