## PADDLE UP PLAY HOURS

### Volz Pickleball Courts

Monday–Saturday | Courts 1-4 | 8AM–12PM

Certain courts are designated for permit holders and casual players who prefer independent matches. Paddle up players can use these courts only when they're free, but must readily relinquish them if a permit holder arrives or someone wants to play outside the paddle up system.

## PADDLE UP PLAY RULES

- Paddle up play times are open to all players, all ages.
- Paddle up play allows for larger groups to rotate through courts, with minimal down time.
- Outside of the posted paddle up play times, when others are waiting, players may not play two consecutive hours.
- Players may only paddle up one court at a time.
- Players may not re-paddle up a court until all players waiting are done.
